Supreme Weddings & Event Planning Services

On the Day Coordination

*On the Day Coordination
for more than 150 guests.*

PHP 40,000

PHP 45,000

The coordination completes the concept and program and works together with the suppliers for final arrangements. The coordination also straightens out matters on deliveries, venue, physical arrangement, program, briefing with the host, and supervision on the actual day of event with 5 coordinators and back up staff. The team take on the planning 2 weeks before the event.

- Plan and implement the flow of the wedding from the ceremony to the reception.
- Enforce all agreements stated in the contract between the couple and the various suppliers.
- Make sure that all suppliers/vendors render their service on time.
- Manage the entourage and couple's activities on the day.
- Supervise the ceremony.
- Discuss with the lector/commentator certain procedures needed for the ceremony.
- Instruct members of the entourage of their duties for the ceremony and reception.
- Coordinate and meet with emcee(s) to discuss the program.
- Assist the photographers and videographers.
- Collect all accessories needed in ceremony after the pictorial (cushion for rings and arrhae, cord, viel, guestbook, etc.)
- Endorse and return to the trustee of all materials used in the wedding ceremony and reception.
- Oversee the reception program.
- Unlimited online consultation.

Supreme Weddings & Event Planning Services

Supreme Weddings Service Package

PHP 100,000

Consultation begins at a time convenient for both the client and coordinator. It involves actual conceptualization, budget planning, sourcing of supplier, supervision during the actual date of the event with 6 coordinators and 2 back up staff.

Intimate Supreme Weddings Service Package

PHP 60,000

This rate is applicable to small and intimate wedding with less than 30 guests. Consultation begins at a time convenient for both the client and coordinator. It involves actual conceptualization, budget planning, sourcing of suppliers, venue, physical arrangement, the client and supervision during the actual date of the event with 5 coordinators. Only applies to non-destination weddings.

One Month Planning

PHP 50,000

Consultation begins five (5) weeks prior to the event where most of the work is done. The coordinator polishes the concept while preparing and overseeing the program. Consultant coordination with the suppliers is executed to ensure prompt and accurate delivery. Continuous coordination with the clients and supervision on the actual date of the event is included with 5 coordinators and 2 back up staff.

Partial Planning Service

PHP 75,000

Team take-over the planning (4) months prior to the event where it is assumed that 5-7 major suppliers are booked. Previous accomplishments by the bride are then handed over to the coordinator for continuation and additional support. The coordinator takes on bringing together the concept and confers it with the suppliers that the client has already chosen. Continuous coordination with the client and supervision on the actual date of the event is included with 5 coordinators and 2 back up staff.
